Sustainability Innovation Challenge

Consent Form

Dear Parents,

YES is a non-profit organisation that develops and runs practice-oriented business and opinion educational programmes for students. As part of this, the Sustainability Innovation Challenge takes place annually, where young people come together to envision a greener, more sustainable Switzerland and work collaboratively to solve a challenge.

If you consent to your child participating in the challenge, we would appreciate it if you could complete the information in the form below and return this letter with your child.

If you have any questions, please do not hesitate to contact us.

Thank you sincerely for your support.

Kind regards
Idal Yüzülmüs
